Stamps: How and Where Do You Get Them?

The stamps will be available at the participating locations. (The cats with paw prints on their profiles are NOT participating.)

Keep in mind the hours of each location. You are not required to spend money in order to get the stamp, but support the businesses if you can!

Some of the cats may be not easily spotted or not feeling social. Please be respectful of the cats and make sure they are comfortable. You can still ask for the stamp if you didn't get to meet the cat.

Have fun!!!
